Pro Tip

One cause of a bad round is thinking about your final score before you tee off.

Expectations about score interfere with playing your best. When we let go of trying, there is no interference to making a free, smooth swing.

Match Play Final

Our handicap match play was played this month. In a terrific match that went to two extra holes, Kayla Pett was victorious over Lauren Sambell. Well done to both girls, and congratulations to Kayla.

Putting Star Awards

Each month we reward the best putter out of each division who has completed all competitions available for that month.

Once again, Dr Andrew McLaughlan from Queensland X - RAY, has agreed to be our sole sponsor this year. This is a very generous gesture, and we thank him for his continued support.

Rules make it Fair!

Rules corner:

Ball Unplayable.

With the 3 and 6 hole Junior Open coming up it may be opportune to reflect on rule 28 – Ball Unplayable. This may save you strokes out on the course.

The player may deem his ball unplayable at any place on the course, except when the ball is in a *water hazard*. If the player deems his ball unplayable, he must under the penalty of one stroke:

- a. Play a ball as nearly as possible at the spot from which the original ball was last played.
- b. Drop a ball behind the point where the ball lay, keeping that point directly between the hole and the spot on which the ball is dropped, with no limit to how far behind that point the ball may be dropped; or
- c. Drop a ball within two club lengths of the spot where the ball lay, but not nearer the hole.

If the unplayable ball is in a bunker, the player may proceed under Clause a, b or c. If he elects to proceed under Clause b or c, **a ball must be dropped in the bunker.**

When proceeding under this Rule, the player may lift and clean his ball or substitute a ball.

Swing hard in case you hit it!
