100% recommend the Mackay Golf Club for any function. We had our wedding reception here and I could not fault anything. The room looked amazing. Kathy & Cassia were excellent to deal with and everyone commented on how beautiful the food was, along with the care taken with people who had special dietary requirements. Thank you so much for making our day perfect!

I booked out Mackay Golf Club's function room for Pioneer High's formal this year. Cassia and Kathy were amazing! They were so helpful with any request I had, the food was delicious and the service so friendly. The venue was perfect, students and their families were able to take beautiful photos around the course and the function room was set up wonderfully. Thank you so much for making this a memorable night for staff, students and their families. Highly recommend!
